NOTICE INVITING TENDER

The Managing Director, Thiruvananthapuram Regional Co-operative Milk Producers Union Ltd (TRCMPULtd) invites online bids from reputed Manufacturers / Authorized dealers for the Supply, Installation and Commissioning of Screw Air Compressor 200CFM with inbuilt VFD at Thiruvananthapuram Dairy.

1.	Tender Notice No. & Date	790 /TRU/PC/2026 - 2027 Dated 07.05.2026
2.	Item of Work	Tender for the Supply, Installation and Commissioning of Screw Air Compressor 200 CFM with inbuilt VFD and Oil cooled Motor at Thiruvananthapuram Dairy.
3.	Specification	Attached
4.	Estimated Amount	Rs 10 Lakhs
5.	Bid Submission Fee	Rs.1000/-
6.	Earnest Money Deposit	Rs. 10,000/-
7.	Date and Time of Publication of e- tender.	08.05.2026, 03.00PM
8.	Date of Submission of e-tender	08.05.2026, 03.00PM to 18.05.2026, 02.30PM
9.	Date and time of opening of e-tender	19.05.2026, 02.30PM
10.	Place of Opening	TRCMPU Ltd., KsheeraBhavan, Pattom Thiruvananthapuram-695004.
11.	Bid Validity	60Days
12.	Warranty	12 months warranty from the date of commissioning.
13.	Completion Period	Within 60 days from the date of Confirmed order.

RARARAJ R KAS

MANAGING DIRECTOR

Terms & Conditions for e-Procurement

This tender is an e-Tender and is being published online for work / supplying of equipment as mentioned in the Invitation to bid. The tender is invited in two cover system from the registered and eligible manufacturers / suppliers through e-procurement portal of Government of Kerala (<http://www.etenders.kerala.gov.in>). Prospective bidders willing to participate in this tender shall necessarily register themselves with above mentioned e-procurement portal.

The tender timeline is available in the critical date section of this tender published in www.etenders.kerala.gov.in.

A) Online Bidders registration process:

Bidders should have a Class II or above Digital Signature Certificate (DSC) to be procured from any Registration Authorities (RA) under the Certifying Agency of India. Details of RAs will be available on www.cca.gov.in. Once, the DSC is obtained, bidders have to register on www.etenders.kerala.gov.in website for participating in this tender. Website registration is a one-time process without any registration fees. However, bidders have to procure DSC at their own cost.

Bidders may contact e-Procurement support desk of Kerala State IT Mission over telephone [at0471-2577088/188/388](tel:0471-2577088/188/388) or [0484-2336006,2332262](tel:0484-2336006,2332262) or [0497-2764788,2764188](tel:0497-2764788,2764188) or [0483-273294](tel:0483-273294) or through e-mail: etendershelp@kerala.gov.in or helptender@gmail.com for assistance in this regard.

B) Online Tender Process:

The tender process shall consist of the following stages:

- i. **Downloading of tender document:** Tender document will be available for free download on www.etenders.kerala.gov.in from the date & time of publication of e-tender, till the last date & time for online submission of e-tender. However, tender document fees should be payable at the time of bid submission as stipulated in this tender document. Downloading of tender documents will not be possible after the date specified above.
- ii. **Pre-bid meeting:** Refer page 3 of the tender document
- iii. **Publishing of Corrigendum:** All corrigendums shall be published on www.etenders.kerala.gov.in and shall not be available elsewhere.
- iv. **Bid submission:** Bidders have to submit their bids along with supporting documents to support their eligibility, as required in this tender document to www.etenders.kerala.gov.in. No manual submission of bid is allowed and manual bids shall not be accepted under any circumstances.
- v. **Opening of Technical bid and bidder short-listing:** Technical bids will be opened, evaluated and shortlisted as per the eligibility and technical qualification. All documents in support of technical qualification shall be submitted online as well as offline within the due date and time. Failure to submit the documents will attract disqualification. Bids shortlisted by this process will be taken up for opening the financial bid.
- vi. **Opening of financial bids:** Bids of the qualified bidders shall only be

considered for opening and evaluation of the financial bid on the date and time mentioned in the critical dates section

C) Documents comprising bid:

i. First Stage (Pre qualification or Technical cover based on 1 cover or 2 cover tenders system):

Pre-Qualification or Technical proposal should contain the scanned copies of the following documents which every bidder has to upload.

- A. Copies of original documents defining the constitution or legal status, place of registration and principal place of business of the company or firm or partnership or if a joint venture, of each party there to constituting the bidder.
- B. Copies of Sales tax & service tax registration certificate.
- C. Details of experience and past performance of the bidder (or of each party to a joint venture) on works of similar nature, and details of current work in hand and other contractual commitments should be submitted. Customer's full address, contact persons, contact telephone number and e-mail ID are to be furnished.
- D. The bidder's annual financial turnover during any one of the last two years should not be less than twice the estimated cost as specified in the Invitation to Bid.
- E. The bidder should furnish a copy of the Income tax Returns for the previous year in original or certified true copies.

The department doesn't take any responsibility for any technical snag or failure that has taken place during document upload.

ii. The Second Stage (Financial Cover or as per tender cover system):

The Bidder should complete the Price bid as per format given for download along with this tender.

Note: - The blank price bid should be downloaded and saved on bidder's computer without changing file-name otherwise price bid will not get uploaded. The bidder should fill in the details in the same file and upload the same back to the website.

Fixed price: Prices quoted by the Bidder should be fixed during the bidder's performance of the contract and not subject to variation on any account. A bid submitted with an adjustable/variable price quotation will be treated as non-responsive and rejected.

D) Tender Document Fees and Earnest Money Deposit (EMD)

The Bidder should pay a tender document fee and Earnest Money Deposit or Bid Security as given in the Tender Inviting Notice. The Bid security is required to protect the purchaser against risk of Bidder's conduct, which would warrant the forfeiture of security.

Online Payment modes: The tender document fees and EMD can be paid in the following manner through e-Payment facility provided by the e-Procurement system:

State Bank of India Multi Option Payment System (SBI MOPS Gateway): Bidder are required to avail Internet banking facility in any of the below banks for making tender remittances in e-Procurement system.

A) Internet Banking Options (Retail)

- iv) TRCMPU Ltd. is not bound to accept the lowest bid and reserves the right to accept any bid deemed suitable. No claim in this regard shall be entertained.

TECHNICAL SPECIFICATION

Scope of Work

Supply, installation and commissioning of **oil-injected rotary screw air compressor of 200 CFM capacity with inbuilt Variable Frequency Drive (VFD)** at Thiruvananthapuram Dairy.

The compressor shall be suitable for **continuous industrial operation** and intended for **outdoor installation under a protective roof**. The scope includes all accessories, controls, and systems required for complete and efficient operation.

General Requirements

The compressor shall be designed for **high energy efficiency, reliability, and low maintenance**, ensuring continuous supply of compressed air for industrial applications.

Energy Efficiency

- The compressor shall have **high-efficiency screw elements** designed to operate at optimum speed with minimal internal losses.
 - The system shall ensure **reduced pressure drop and improved overall efficiency**.
 - The compressor shall be equipped with **inbuilt VFD** for energy optimization under varying load conditions.
-

Air-Oil Separation

- The compressor shall be **oil-injected type** with an efficient **air-oil separation system**.
 - The system shall ensure **minimal oil carryover** in compressed air with low pressure drop.
 - Preferably, a **multi-stage separation system** (cyclonic, gravitational, and coalescing type) shall be provided.
-

Moisture Removal

- The compressor shall be capable of removing **at least 99% of bulk moisture** from compressed air through an efficient moisture separation system.
 - Suitable **auto drain arrangement** shall be provided.
-

Cooling System

- The compressor shall be provided with an **efficient air cooling system**.
- Separate **air and oil coolers** (preferably aluminium block type) shall be provided for effective heat dissipation.
- The system shall include:
 - Aftercooler
 - Cooling fan with motor
 - Thermostatic control for oil temperature

Technical Parameters

Sl. No	Parameter	Requirement
1	Free Air Delivery (FAD)	200 CFM
2	Compressor Type	Rotary Screw, Single Stage
3	Make	Ingersoll Rand / ELGi / Chicago Pneumatic / Atlas Copco / Equivalent
4	Working Pressure	9-10 bar (adjustable within 7-13 bar range preferred)
5	Motor Rating	Minimum 50 HP
6	Motor Type	Permanent Magnet Motor, IE4 Efficiency (or higher) , Oil Cooled
7	Motor Protection	IP66 or higher
8	Cooling	Air Cooled
9	Noise Level	≤ 75 dB(A)
10	Drive Type	Direct Drive
11	VFD	Inbuilt, suitable for permanent magnet motor

Control System

The compressor shall be provided with a microprocessor-based control panel with the following minimum features:

- Load / Unload control
 - Accurate pressure control
 - Programmable start / stop
 - Dual pressure band setting
 - Intelligent shutdown protection
 - Maintenance countdown and service indication
 - Delayed stop function
 - Real-time monitoring and trending
 - Alarm and fault diagnostics
 - LCD display with operational status
 - Multiple compressor control (optional)
 - Remote monitoring / communication (optional)
-

Compressor Assembly

The compressor shall consist of:

- Single stage rotary screw element
- Dry type suction air filter with silencer
- Unloader with integrated regulating valve for VFD operation
- Air/oil temperature sensor with automatic shutdown protection

- Air check valve at discharge end
-

Drive Train

- High-efficiency permanent magnet motor (IE4)
 - Motor protection class **IP55 or higher**
 - Oil Cooled motor
 - Integrated direct drive transmission for minimal losses
 - Suitable for continuous duty operation
-

Air-Oil Receiver Tank

The air-oil receiver shall include:

- Oil level indicator with filling arrangement
 - Minimum pressure valve
 - Safety relief valve
 - Pressure gauge
 - Oil drain arrangement
-

Additional Requirements

- Pre-filter arrangement for intake air
 - Auto drain system for moisture removal
 - Suitable outlet connection with necessary fittings
 - First fill of lubricant oil
 - Complete ready-to-commission unit
-

Documentation

The supplier shall provide:

- Operation & Maintenance manuals (3 copies)
 - Electrical and GA drawings
 - Spare parts list for minimum one year operation
 - Test certificates and inspection reports
-

Warranty

- Minimum 12 months warranty from date of commissioning
- .
-
-

GENERAL TERMS & CONDITIONS

1. Inspection:

The equipment under the purview of your supply should be inspected by your own technical experts at your works, and such Inspection Report should be forwarded to us in

triplicate. However the TRCMPU reserves its right to inspect at any stage of fabrication / manufacture of the equipment / material. You should intimate TRCMPU without fail when the equipment is ready for inspection, including the stage wise inspection. You should not proceed with further manufacture and / or dispatch of equipment, without obtaining a clearance certificate after inspection or our written permission. You should forward to us the Test Certificates wherever applicable, obtained from concerned authorities / principal manufacturers either regarding quality of any other details of the items utilized in the process of manufacture / fabrication.

2. Dispatch Instructions:

The materials are to be dispatched to the project site by the mode of transport specified in the order under intimation to us. Depending on the type of material, you shall have to carry out proper packing / crating to avoid breakages in transit. Other details of dispatch such as marking consignee's particulars etc. are mentioned in the Purchase Order. For using any mode of transport other than the specified one, prior concurrence from us in writing should be obtained. All consignments should be dispatched on freight paid basis irrespective of price basis. In the event of freight payable extra by us, you should have to obtain our prior approval and produce necessary documentary evidence in support of your claims. Unless otherwise stated, the original RR/LR should be sent by Registered Post directly to the consignee along with a copy of invoice and 2 copies of Delivery Challan / Packing List.

3. Insurance

You should have to arrange all transit risk insurance, warehouse to warehouse basis including storage risk coverage for a period of 6 months from the date of arrival of goods at destination for the items to be supplied by you. In cases where orders are placed on ex-works basis, the premium shall be paid by us at actual to you against production of documentary evidence. In the event of any damage to / loss of consignment in transit, it will be your responsibility to lodge necessary claims with the carriers / underwriters and pursue them till settlement. Since the insurance policy will be obtained in our name, we shall, if required, give you necessary authorization letter authorizing you to lodge and pursue claims on our behalf with the carriers / under writers. You should also have to make good the losses / damages occurring in transit by making replacement / payment to us in the first instance; if claims are settled by the underwriters and any amounts are realized by us, the amounts thus realized in settlement of claims shall be reimbursed to you. In other words, the prima facie responsibility for getting compensation for the damages / losses incurred, due to all transit hazards, if any, rests with you.

In cases where the purchase order is placed on "free delivery at site" basis, no insurance premium will be paid by us. However in such cases also, all transit risk insurance policy must be obtained to safeguard your own interest and to protect the material against transit hazards.

4. Delivery

The stipulated delivery time given in the Purchase Order is the essence of this contract. You must therefore, strictly adhere to the delivery schedule mentioned in the Order.

5. Demurrage

You should bear and reimburse to us full demurrage if any, paid by reason of delay on your part in forwarding the original dispatch documents at the destination mentioned in the Purchase Order.

6. Rejection:

We reserve the right to reject the goods either in part or full if at the time of delivery, if it is noticed that the goods supplied do not conform to the specifications / description given in the Purchase Order. The rejection, if any, will be intimated to you in writing within a reasonable time. You will be liable to repair/replace the rejected goods within the stipulated time. Till the repair / replacement is made, the rejected goods should be lying at your risk, cost and responsibility. If you do not arrange to repair / replace the rejected goods within the period stipulated by us, we may dispose of such goods at your risk and

in the manner which we think fit. We shall be entitled to retain the proceeds of disposal either in part or full towards the expenses incurred on storage, handling and disposal of the rejected goods. We shall also be entitled to recover the expenses made by us on storage and handling of such rejected goods till the goods are removed from our premises/stores.

7. Liquidated Damages and Recovery of Advance:

The accepted delivery schedule of supply and/or installation should be governed by the Liquidated Damages and Recovery of Advance clause. Each unit of an item should be delivered to destination and ready for operation not later than the delivery date specified in the purchase order. If you fail to deliver any of the goods or perform the services within the time period(s) specified in the purchase order, TRCMPU shall without prejudice to its other remedies under this purchase order, deduct from the order price as liquidated damages, a sum equivalent to 0.5% of the full Purchase order value for each week of delay. The total amount so deducted should not exceed 5% of the purchase order value. Once the maximum is reached the TRCMPU may consider cancellation / termination of purchase order.

In case you fail to supply the equipment within the stipulated delivery period plus 20% of the same as grace period, subject to a minimum of 15 days, the purchase order shall stand cancelled and the supplier should refund the advance, if paid, along with interest at the rate of 18% per annum compounded quarterly on the last day of March, June, September and December, on the advance paid, for the entire period for which the advance was retained by the supplier. This will be without prejudice to other remedies like risk purchase etc. Any incremental taxes, duties and levies on account of the delay in the execution of the purchase order by you will be to your account.

8. Guarantee

The supply of equipment as well as installation, if entrusted, should have to be carried out by you to the entire satisfaction of TRCMPU. You should also guarantee to repair / replace without any extra cost, the items or parts thereof, if found defective due to bad designing, workmanship or substandard material brought to your attention within 12 months from the date of putting on use / commissioning or 18 months from the date of receipt of material at site whichever is earlier. If it is necessary to send the defective equipment or parts thereof to you works for repair / replacement, without forming any precedence, the cost of repacking, loading, unloading, transportation from the site to your works and back to site should have to be borne by you.

The guarantee however does not cover any damage resulting from normal wear and tear or improper attendance or mishandling of the equipment during repairs by personnel other than the supplier or his authorized agents.

In case of installation jobs you should have to guarantee the complete installation for satisfactory performance for a minimum period of 12 months from the date of commissioning of the plant / equipment. Any defect arising out of faulty erection / installation or use of substandard material or workmanship should have to be rectified by you at your cost.

9. Warranty

You must provide a warranty for a minimum period of 12 months from the date of commissioning of the equipment for satisfactory performance of the supplied equipment according to the designed / rated / installed capacity or any other norms fixed by TRCMPU.

10. Specifications & Manuals:

Operation and maintenance manuals and service instructions along with the drawings showing details of part list against each item of your supply be sent to us in triplicate.

You should also furnish us service requirements like water, electricity, lubricant, air etc., for each equipment wherever applicable.

You should provide a list of spare parts, which will be required for the equipments supplied by you for at least one year of normal operation with the names and the addresses of the manufacturers from whom they can be procured. The list should contain the code numbers of the parts which are required to be procured, in addition to the machine number, models etc.

11. Submission of Bills :

Bills in triplicate under Registered Post, stating therein our Purchase Order reference along with necessary copies of Dispatch documents are to be sent to the respective Office. Unless otherwise stated the payment should be made to you by Crossed Account Payee cheque by post according to the terms of payment mentioned in the Purchase Order.

12. Drawings.

Drawings of the equipment with all structural details/dimensions, material specifications, bill of materials, etc should be forwarded to the TRCMPU Ltd to enable them to prepare the site to facilitate installation of the equipment immediately on receipt of the same. It is your responsibility to take site measurement, prepare detailed drawing and submit the same for your approval. The drawing should include all the items for completing the work in all respects.

13. Cancellation of Contract

We shall be free to cancel our order either in part or full, in the case of non-delivery of material / non-completion of installation within the stipulated delivery period or breach of any of the clauses mentioned herein. Consequential losses if any, on account of our getting installation done or obtaining supplies from alternative sources besides payment of higher price shall be recovered from you.

14. Sub- Contract

In the event of awarding sub contract to any party / parties by you for the manufacture / supply /erection of any parts / spares / components that will be used in the ordered equipment, you must furnish us details about your sub signature of bidders, their experience, specialization etc. The sub-contract can be awarded by you only after obtaining written approval from us. In the event of sub-contract also the prima facie responsibility rests on you regarding quality, quantity, guarantee / warranty of the materials supplied by the sub-signature of bidders.

15. Force Majeure

The terms and conditions mutually agreed upon shall be subject to Force Majeure Clause. Neither the supplier nor the purchaser should be considered in default in performance of his / their obligations here under if such performance is prevented or delayed because of war, hostilities, revolution, civil commotion, strike, epidemic accident, fire, wind, flood, earthquake or because of any law order proclamation, regulation or ordinance of any Government or of any act of God or any other cause whether of similar or dissimilar nature, beyond the reasonable control of the party affected. Should one or both the parties be prevented from fulfilling his / their contractual obligations by a state of Force Majeure lasting continuously for a period of six months, the two parties should consult each other regarding the future implementation of the contract / purchase order.

16. Power

Power will be supplied free of cost at one point. The bidder should make his own arrangements to provide necessary cables isolators etc to tap the power to the point of requirement during erection work, as per standards.

17. Arbitration

In case of any dispute, the Registrar of Co-operative Societies of Kerala State shall be the sole Arbitrator as per the provisions of Kerala Co-operative Societies Act 1969.

18. Employees state insurance

The contractor should arrange for insurance etc. of his people employed for erection

and installation work as per ESIC act workman compensation and any other provision to meet statutory requirement of various labour Act / Rules. In case of accident to any of the workers during the period of installation, TRCMPU shall not bear any liability what so ever, the entire responsibility primary and final in this respect will be that of contractor.
